## INTRODUCTION TO GOLF!

Have you ever been left at home while your partner is out enjoying a game of golf? Have you previously considered trying the game but thought it was too complicated? Would you like to discover for yourself why golf is played by millions around the globe?

Here at SALOBRE GOLF ACADEMY, we have created a special introduction program to introduce you to the game.

### Our program includes:

- A brief explanation of “What Golf Is?” by our professional.
- A demonstration of the various shots and of the clubs used.
- Time for practising your new skills on our driving range with our qualified professional
- A guided tour of holes 1 & 2 with our professional to enable you to understand the common terminology used in Golf.

Course duration and cost

2hours – 75€/pax

## GOLF DEVELOPMENT!

Our Golf Development course is designed for those of you who would like to broaden their knowledge and improve your skills in all areas of the game.

We will design exercises exclusively suited to you which will enable you to practice and improve “The Fundamentals of Golf”.

### The Development Course includes:

- Welcome pack: Introduction to the rules of Golf, Explanation of the common terms used in the game, Salobre logo cap.
- You will learn the basics for:
  - The grip,
  - Set-up and balance,
  - Alignment,
  - Chipping,
  - Bunker play,
  - Pitching,
  - Putting and “the full golf swing”

Course duration and cost
